

Like it's christmas – Jonas Brothers

There's snow on the ground, love in the air,
Sleigh bells are ringin'
This is what it's all about,
The fire is warm, the angels are singin'
And I don't wanna miss a single thing
Don't wanna put an end to all this cheer
But as long as you're with me
It's always that time of the year
You make every day feel like it's Christmas,
Never wanna stop
Feelin' like the first thing
On your wish list
Right up at the top
I can't deny what I'm feelin' inside
Nothin' fake about the way
You bring me to life
You make every day feel like it's Christmas
Every day that I'm with you
Look at the lights, twinklin' bright
Twenty-four/seven
Every inch of Central Park
Is covered in white, this could be heaven
And I don't wanna miss a single thing
Don't wanna put an end to all this cheer
But as long as you're with me
It's always that time of the year, yeah (Woo)
You make every day feel like it's Christmas
(Like it's Christmas), never wanna stop
Feelin' like the first thing
On your wish list, right up at the top
I can't deny what I'm feelin' inside
Nothin' fake about the way
You bring me to life
You make every day feel like it's Christmas
Every day that I'm with you
Woo, woo, woo, yeah

(Every day that I'm with you)
Every day, every day
You make every day feel
Like it's Christmas, never wanna stop
Feelin' like the first thing
On your wish list, right up at the top
(And I can't deny)
I can't deny what I'm feelin' inside
Nothin' fake about the way
You bring me to life
You make every day feel like it's Christmas
Every day that I'm with you
Hey, hey, yeah, every day, la-la-la
I can't deny what I'm feelin' inside
No matter the reason, no matter the season
My heart'll keep beatin', you better believe
You make every day feel like it's Christmas
(Like it's Christmas)
Every day that I'm with you
(Oh-oh-oh, oh-oh-oh, oh-oh-oh)
Every day that I'm with you
(Oh-oh-oh, oh-oh-oh, oh-oh-oh)
Every day that I'm with you
