

# Start of something right - red shoes and the seven dwarfs – Jordyn Kane

You came in my life  
In a hot flash of lightning  
Tried covering my eyes  
But there's no use in hiding  
This feeling has stuck and  
I couldn't change it  
If I, if I tried  
My heart skips  
A beat when you walk in the room  
I feel something changing  
When it's me and you  
I can't hold it in though it's only begun  
Wanna scream from the top of my lungs  
This is the start of something so right  
Suddenly all of the stars have aligned  
In the right place at the right time  
This is the start of something so right  
Oh-oh-oh-oh  
This is the start of something so right  
Oh-oh-oh-oh  
This is the start of something so right  
This feeling's so strong  
I reach out for safety  
But I swallow my fear and just let it take me  
It carries me far but it always leads right  
back to you, to you  
My heart skips a beat  
When you walk in the room  
I feel something changing  
When it's me and you  
I can't hold it in though it's only begun  
Wanna scream from the top of my lungs  
This is the start of something so right  
Suddenly all of the stars have aligned  
In the right place at the right time

This is the start of something so right

Oh-oh-oh-oh

This is the start of something so right

Oh-oh-oh-oh

This is the start of something so right
