

# Start of Something Right (Red shoes and the seven dwarfs) – Jordyn Kane

You came in my life  
In a hot flash of lighting  
Tried covering my eyes  
But there's no use in hiding  
This feeling has stuck  
And I couldn't change it  
If I If tried

My heart skips a beat  
When you walk in the room  
I feel something changing  
When it's me and you  
I can't hold it in though  
It's only begun  
Wanna scream  
From the top of my lungs

This is the star  
Of something so right  
Suddenly  
All of the stars have aligned  
In the right place  
At the right time  
This is the stars of something so right

Ah ah ah ah  
This is the start  
Of something so right

This feeling's so strong  
I'd reach out for safety  
But I swallow my fear  
Just let it take me  
It carries me far  
But it always leads back to you

To you

My heart skips a beat  
When you walk in the room  
I feel something changing  
When it's me and you

I can't hold it in  
Now it's only begun  
Wanna scream from the top of my lungs

Ah ah ah ah  
This is the start  
Of something so right
