

# On my mind – Joria Smith

Mind, mind, you think I would Mind, you think  
I would, mind Mind, you think I would mind  
Oh, you think I, oh, my mind Mind, mind,  
You think I would Mind, you think I would,  
Mind Mind, you think I would mind Oh,  
You think I, oh, my mind [Chorus]  
Don't want to feel you  
Don't want you on my mind  
Don't want to feel you  
Don't want you on my mind  
Don't want to feel you  
Don't want you on my mind On my mind,  
On my mind Mind, mind, mind, mind [Verse 1]  
Why on earth would I leave  
If you were everything I wanted you to be?  
When I saw what you did, who you were with  
Got me questionin' the things that I believ  
I ask myself, do I let you go?  
Or do I keep you in the frame of my mind?  
Now I'm growing wise  
To your sugar-coated lies  
Nothing's sweet about my misery,
