

# On My mind – Jorja Smith

Don't want to feel you  
Don't want you on my mind  
Don't want to feel you  
Don't want you on my mind  
Don't want to feel you  
Don't want you on my mind  
Why on earth would I leave  
If you were everything I wanted you to be?  
When I saw what you did, who you were with  
Got me questionin' the things that I believe  
So I ask myself, do I let you go?  
Or do I keep you in the frame of my mind?  
Now I'm growing wise  
To your sugar-coated lies  
Nothing's sweet about my misery, yeah  
I finally found what went wrong  
I finally found the wrong in you  
I finally found what went wrong  
I finally found the wrong in you  
Don't want to feel you  
Don't want you on my mind  
Don't want to feel you  
Don't want you on my mind  
Don't want to feel you  
Don't want you on my mind  
You again, why'd you call?  
I don't need to hear you cryin' out my name  
Unlike before when you and I laid eye to eye  
Now it's time for you to taste the bitter end  
So I ask myself, do I let you go?  
Or do I keep you in the frame of my mind?  
Now I'm growing wise  
To your sugar-coated lies  
Nothing's sweet about my misery, yeah  
I finally found what went wrong  
I finally found the wrong in you

I finally found what went wrong  
I finally found the wrong in you  
Don't want to feel you  
Don't want you on my mind  
Don't want to feel you  
Don't want you on my mind  
Don't want to feel you  
Don't want you on my mind
