

On My mind – Jorja Smith

Don't want to feel you
Don't want you on my mind
Don't want to feel you
Don't want you on my mind
Don't want to feel you
Don't want you on my mind
Why on earth would I leave
If you were everything I wanted you to be?
When I saw what you did, who you were with
Got me questionin' the things that I believe
So I ask myself, do I let you go?
Or do I keep you in the frame of my mind?
Now I'm growing wise
To your sugar-coated lies
Nothing's sweet about my misery, yeah
I finally found what went wrong
I finally found the wrong in you
I finally found what went wrong
I finally found the wrong in you
Don't want to feel you
Don't want you on my mind
Don't want to feel you
Don't want you on my mind
Don't want to feel you
Don't want you on my mind
You again, why'd you call?
I don't need to hear you cryin' out my name
Unlike before when you and I laid eye to eye
Now it's time for you to taste the bitter end
So I ask myself, do I let you go?
Or do I keep you in the frame of my mind?
Now I'm growing wise
To your sugar-coated lies
Nothing's sweet about my misery, yeah
I finally found what went wrong
I finally found the wrong in you

I finally found what went wrong
I finally found the wrong in you
Don't want to feel you
Don't want you on my mind
Don't want to feel you
Don't want you on my mind
Don't want to feel you
Don't want you on my mind
