On My mind – Jorja Smith

Don't want to feel you Don't want you on my mind Don't want to feel you Don't want you on my mind Don't want to feel you Don't want you on my mind Why on earth would I leave If you were everything I wanted you to be? When I saw what you did, who you were with Got me questionin' the things that I believe So I ask myself, do I let you go? Or do I keep you in the frame of my mind? Now I'm growing wise To your sugar-coated lies Nothing's sweet about my misery, yeah I finally found what went wrong I finally found the wrong in you I finally found what went wrong I finally found the wrong in you Don't want to feel you Don't want you on my mind Don't want to feel you Don't want you on my mind Don't want to feel you Don't want you on my mind You again, why'd you call? I don't need to hear you cryin' out my name Unlike before when you and I laid eye to eye Now it's time for you to taste the bitter end So I ask myself, do I let you go? Or do I keep you in the frame of my mind? Now I'm growing wise To your sugar-coated lies Nothing's sweet about my misery, yeah I finally found what went wrong I finally found the wrong in you

I finally found what went wrong I finally found the wrong in you Don't want to feel you Don't want you on my mind Don't want to feel you Don't want you on my mind Don't want to feel you Don't want you on my mind
