

Happy in My Heartache – Josh Groban

Coffee's on the table and I
Just can't seem to wake up
This aching heart of mine
One more day without you
And I'll be fine
You know I'm good for waiting but
Waitings wasted time
Oh and I
I don't take it lightly
The trouble that I've gone through
To get you to know who I am
Oh and I
I can't find a reason
To be happy in this heartache
'Cause I should know better than that
I'm better than that
Wicked winds are blowing through
The hall
Those old familiar faces are
Clinging to the walls
I know it's cold but I can't feel at all
And I know these walls are crumbling and
I won't stay to watch them fall
Oh and I
I don't take it lightly
The trouble that I've gone through
To get you to know who I am
Oh and I
I can't find a reason
To be happy in my heartache
'Cause I should know better than that
But I can't stop loving you
And I don't know what to do to
Keep holding on
Oh and I
I don't take it lightly

The trouble that I've gone through
I've given you all that I am
Oh and I
I can't find a reason
To be happy in my heartache
'Cause I should know better than that
Oh I'm better than that
