To where you are - Josh Groban

Who can say for certain

Maybe you're still here

I feel you all around me

Your memories so clear

Deep in the stillness

I can hear you speak

You're still an inspiration

Can it be

That you are mine

Forever love

And you are watching over me from up above

Fly me up to where you are

Beyond the distant star

I wish upon tonight

To see you smile

If only for awhile to know you're there

A breath away's not far

To where you are

Are you gently sleeping

Here inside my dream

And isn't faith believing

All power can't be seen

As my heart holds you

Just one beat away

I cherish all you gave me everyday

Cause you are mine

Forever love

Watching me from up above

And I believe

That angels breathe

And that love will live on and never leave

Fly me up

To where you are

Beyond the distant star

I wish upon tonight

To see you smile

If only for awhile
To know you're there
A breath away's not far
To where you are
I know youre there
A breath aways not far
To where you are
