

# You're Still You – Josh Groban

Through the darkness  
I can see your light  
And you will always shine  
And I can feel your heart in mine  
Your face I've memorized  
I idolize just you

I look up to  
Everything you are  
In my eyes you do no wrong  
I've loved you for so long  
And after all is said and done  
You're still you  
After all  
You're still you

You walk past me  
I can feel your pain  
Time changes everything  
One truth always stays the same  
You're still you  
After all  
You're still you

I look up to  
Everything you are  
In my eyes you do no wrong  
And I believe in you  
Although you never asked me to  
I will remember you  
And what life put you through

And in this cruel and lonely world  
I found one love  
You're still you
