

# Love Will Tear Us Apart – Joy Division

When routine bites hard  
And ambitions are low  
And resentment rides high  
But emotions won't grow  
And we're changing our ways  
Taking different roads  
Then love, love will tear us apart again  
Love, love will tear us apart again  
Why is the bedroom so cold?  
You've turned away on your side  
Is my timing that flawed?  
Our respect runs so dry  
Yet there's still this appeal  
That we've kept through our lives  
But love, love will tear us apart again  
Love, love will tear us apart again  
You cry out in your sleep  
All my failings exposed  
And there's a taste in my mouth  
As desperation takes hold  
Just that something so good  
Just can't function no more  
But love, love will tear us apart again  
Love, love will tear us apart again love  
Love will tear us apart again  
Love, love will tear us apart again
