

# If thw world was ending – JP Saxe

I was distracted and in traffic  
I didn't feel it when the earthquake happened  
But it really got me thinkin', were you out drinkin'?  
Were you in the living room, chillin', watchin' television  
It's been a year now, think I've figured out how  
How to let you go and let communication die out

I know you know we know you weren't  
Down for forever and it's fine  
I know you know we know we weren't  
Meant for each other and it's fine

But if the world was ending, you'd come over, right?  
You'd come over and you'd stay the night  
Would you love me for the hell of it?  
All our fears would be irrelevant  
If the world was ending, you'd come over right?  
The sky'd be falling and I'd hold you tight  
And there wouldn't be a reason why  
We would even have to say goodbye  
If the world was ending, you'd come over, right? Right?  
If the world was ending, you'd come over, right? Right?

I tried to imagine your reaction  
It didn't scare me when the earthquake happened  
But it really got me thinkin', the night we went drinkin'  
Stumbled in the house and didn't make it past the kitchen  
Ah, it's been a year now, think I've figured out how  
How to think about you without it rippin' my heart out

And I know you know we know you weren't  
Down for forever and it's fine  
I know you know we know we weren't  
Meant for each other and it's fine

But if the world was ending, you'd come over, right?

You'd come over and you'd stay the night  
Would you love me for the hell of it?  
All our fears would be irrelevant  
If the world was ending, you'd come over, right?  
Sky'd be falling while I hold you tight  
No, there wouldn't be a reason why  
We would even have to say goodbye  
If the world was ending, you'd come over, right?  
You'd come over, right?  
You'd come over, you'd come over, you'd come over, right?

I know you know we know you weren't  
Down for forever and it's fine  
I know you know we know we weren't  
Meant for each other and it's fine

But if the world was ending, you'd come over, right?  
You'd come over and you'd stay the night  
Would you love me for the hell of it?  
All our fears would be irrelevant  
If the world was ending, you'd come over, right?  
The sky'd be falling while I hold you tight  
No, there wouldn't be a reason why  
We would even have to say goodbye  
If the world was ending, you'd come over, right?  
You'd come over, you'd come over, you'd come over, right?

Hmm  
If the world was ending, you'd come over, right?
