

Diamond and rust – Judas Priest

I'll be damned,
Here comes your ghost again
But that's not unusual
It's just that the moon is full
And you decided to call
And here I sit,
Hand on the telephone
Hearing the voice I'd known
A couple of light years ago
Heading straight for a fall
But we both know what memories can bring
They bring diamonds and rust
Yes, we both know what memories can bring
They bring diamonds and rust
Now I see you standing all around,
The snow in your hair
Now we're smiling out the window of the crummy hotel
Over Washington Square
Our breath comes in white clouds
Mingles and hangs in the air
Speaking strictly for me
We both could've died then
And there
Now you're telling me
You're not nostalgic
Then give me another word for it
You were so good with words
And at keeping things vague
'Cause I need some of that vagueness now
It's all come back too clearly
Yes, I love you dearly
And if you're offering me diamonds and rust
I've already paid
But we both know what memories can bring
They bring diamonds and rust
Yes, we both know what memories can bring

They bring diamonds and rust
Diamonds, diamonds and rust
Diamonds, diamonds and rust
Diamonds, diamonds and rust
(I want, I want)
Diamonds, diamonds and rust
