

# Diamond and rust – Judas Priest

I'll be damned,  
Here comes your ghost again  
But that's not unusual  
It's just that the moon is full  
And you decided to call  
And here I sit,  
Hand on the telephone  
Hearing the voice I'd known  
A couple of light years ago  
Heading straight for a fall  
But we both know what memories can bring  
They bring diamonds and rust  
Yes, we both know what memories can bring  
They bring diamonds and rust  
Now I see you standing all around,  
The snow in your hair  
Now we're smiling out the window of the crummy hotel  
Over Washington Square  
Our breath comes in white clouds  
Mingles and hangs in the air  
Speaking strictly for me  
We both could've died then  
And there  
Now you're telling me  
You're not nostalgic  
Then give me another word for it  
You were so good with words  
And at keeping things vague  
'Cause I need some of that vagueness now  
It's all come back too clearly  
Yes, I love you dearly  
And if you're offering me diamonds and rust  
I've already paid  
But we both know what memories can bring  
They bring diamonds and rust  
Yes, we both know what memories can bring

They bring diamonds and rust  
Diamonds, diamonds and rust  
Diamonds, diamonds and rust  
Diamonds, diamonds and rust  
(I want, I want)  
Diamonds, diamonds and rust
