

# When I need you – JULIO IGLESIAS

When I need you

Just close my eyes and I'm with you

And all that I so want to give you

Its only a heart beat away

When I need love

I hold out my hands and I touch love

I never knew there was so much love

Keeping me warm night and day

Miles and miles of empty space in

Between us

A telephone can't take the place of your

Smile

But you know I won't be traveling

Forever

Its cold out but hold out and do like I do

When I need you

Just close my eyes and I'm with you

And all that I so want to give you babe

Its only a heartbeat away

It's not easy when the road is your driver

Honey, that's a heavy load that we bear

But you know I won't be traveling a

Lifetime

It's cold out but hold out and do like I do

Oh I need you

When I need you

I hold out my hands and I touch love

I never knew there was so much love

Keeping me warm night and day

When I need you

Just close my eyes and I'm with you

And all that I so want to give you

Its only a heart beat away
