

When I need you – JULIO IGLESIAS

When I need you
Just close my eyes and I'm with you
And all that I so want to give you
Its only a heart beat away
When I need love
I hold out my hands and I touch love
I never knew there was so much love
Keeping me warm night and day
Miles and miles of empty space in
Between us
A telephone can't take the place of your
Smile
But you know I won't be traveling
Forever
Its cold out but hold out and do like I do
When I need you
Just close my eyes and I'm with you
And all that I so want to give you babe
Its only a heartbeat away
It's not easy when the road is your driver
Honey, that's a heavy load that we bear
But you know I won't be traveling a
Lifetime
It's cold out but hold out and do like I do
Oh I need you
When I need you
I hold out my hands and I touch love
I never knew there was so much love
Keeping me warm night and day
When I need you
Just close my eyes and I'm with you
And all that I so want to give you
Its only a heart beat away
