

# When I need you – JULIO IGLESIAS

When I need you  
Just close my eyes and I'm with you  
And all that I so want to give you  
Its only a heart beat away  
When I need love  
I hold out my hands and I touch love  
I never knew there was so much love  
Keeping me warm night and day  
Miles and miles of empty space in  
Between us  
A telephone can't take the place of your  
Smile  
But you know I won't be traveling  
Forever  
Its cold out but hold out and do like I do  
When I need you  
Just close my eyes and I'm with you  
And all that I so want to give you babe  
Its only a heartbeat away  
It's not easy when the road is your driver  
Honey, that's a heavy load that we bear  
But you know I won't be traveling a  
Lifetime  
It's cold out but hold out and do like I do  
Oh I need you  
When I need you  
I hold out my hands and I touch love  
I never knew there was so much love  
Keeping me warm night and day  
When I need you  
Just close my eyes and I'm with you  
And all that I so want to give you  
Its only a heart beat away
