

Ghost - Justin Bieber – Justin Bieber

Youngblood thinks there's always tomorrow
I miss your touch some nights when I'm hollow
I know you crossed a bridge
That I can't follow
Since the love that you left
Is all that I get
I want you to know
That if I can't be close to you,
I'll settle for the ghost of you
I miss you more than life (More than life)
And if you can't be next to me,
Your memory is ecstasy
I miss you more than life,
I miss you more than life
Young blood thinks there's always tomorrow
I need more time, but time can't be borrowed
I'd leave it all behind if I could follow
Since the love that you left
Is all that I get,
I want you to know
That if I can't be close to you,
I'll settle for the ghost of you
I miss you more than life (Yeah)
And if you can't be next to me,
Your memory is ecstasy (Oh)
I miss you more than life,
I miss you more than life
Woah-oh-oh-oh
Na-na-na
More than life
So if I can't be close to you,
I'll settle for the ghost of you
I miss you more than life
And if you can't be next to me,
Your memory is ecstasy

I miss you more than life,
I miss you more than life
