## Ghost - Justin Bieber - Justin Bieber

Youngblood thinks there's always tomorrow I miss your touch some nights when I'm hollow I know you crossed a bridge That I can't follow Since the love that you left Is all that I get I want you to know That if I can't be close to you, I'll settle for the ghost of you I miss you more than life (More than life) And if you can't be next to me, Your memory is ecstasy I miss you more than life, I miss you more than life Young blood thinks there's always tomorrow I need more time, but time can't be borrowed I'd leave it all behind if I could follow Since the love that you left Is all that I get, I want you to know That if I can't be close to you, I'll settle for the ghost of you I miss you more than life (Yeah) And if you can't be next to me, Your memory is ecstasy (Oh) I miss you more than life, I miss you more than life Woah-oh-oh-oh Na-na-na More than life So if I can't be close to you, I'll settle for the ghost of you I miss you more than life And if you can't be next to me, Your memory is ecstasy
