

Hold on – Justin Bieber

You know you can call me if you need someone
I'll pick up the pieces if you come undone
Painting stars up on your ceiling 'cause you
Wish that you could
Find some feeling, yeah, you
You know you can call me if you need someone
I need you to hold on
Heaven is a place not too far away
We all know I should be the one
To say we all make mistakes
Take my hand and hold on
Tell me everything that you need to say
'Cause I know how it feels to be someone
Feels to be someone who loses their way
You're looking for answers in a place unknown
You need the connection
But you can't get close
Painting stars up on your ceiling 'cause you
Wish that you could
Find some feeling, yeah, you
You know you can call me if you need someone
I need you to hold on
Heaven is a place not too far away
We all know I should be the one
To say we all make mistakes
Take my hand and hold on
Tell me everything that you need to say
'Cause I know how it feels to be someone
Feels to be someone who loses their way
Midnight 'til morning
Call if you need somebody
I will be there for you
Midnight 'til morning
Call if you need somebody
I will be there for you
I need you to hold on

Heaven is a place not too far away
We all know I should be the one
To say we all make mistakes
Take my hand and hold on
Tell me everything that you need to say
'Cause I know how it feels to be someone
Feels to be someone who loses their way
Midnight 'til morning
Call if you need somebody
I will be there for you
Midnight 'til morning
Call if you need somebody
I will be there for you
