Hold on - Justin Bieber

You know you can call me if you need someone I'll pick up the pieces if you come undone Painting stars up on your ceiling 'cause you Wish that you could Find some feeling, yeah, you You know you can call me if you need someone I need you to hold on Heaven is a place not too far away We all know I should be the one To say we all make mistakes Take my hand and hold on Tell me everything that you need to say 'Cause I know how it feels to be someone Feels to be someone who loses their way You're looking for answers in a place unknown You need the connection But you can't get close Painting stars up on your ceiling 'cause you Wish that you could Find some feeling, yeah, you You know you can call me if you need someone I need you to hold on Heaven is a place not too far away We all know I should be the one To say we all make mistakes Take my hand and hold on Tell me everything that you need to say 'Cause I know how it feels to be someone Feels to be someone who loses their way Midnight 'til morning Call if you need somebody I will be there for you Midnight 'til morning Call if you need somebody I will be there for you

I need you to hold on

Heaven is a place not too far away
We all know I should be the one
To say we all make mistakes
Take my hand and hold on
Tell me everything that you need to say
'Cause I know how it feels to be someone
Feels to be someone who loses their way
Midnight 'til morning
Call if you need somebody
I will be there for you
Midnight 'til morning
Call if you need somebody
I will be there for you
