

Lonely – Justin Bieber

Everybody knows my name now
But something 'bout it still feels strange
Like looking in the mirror
Tryna steady yourself and seeing somebody else
And everything is not the same now
It feels like all our lives have changed
Maybe when I'm older, it'll all calm down
But it's killing me now
What if you had it all but nobody to call?
Maybe then you'd know me
'Cause I've had everything
But no one's listening
And that's just fucking lonely
I'm so lo-o-o-onely
Lo-o-o-onely
Everybody knows my past now
Like my house was always made of glass
And maybe that's the price you pay
For the money and fame at an early age
And everybody saw me sick
And it felt like no one gave a shit
They criticized the things I did
As an idiot kid
What if you had it all but nobody to call?
Maybe then you'd know me
'Cause I've had everything
But no one's listening
And that's just fucking lonely
I'm so lo-o-o-onely
Lo-o-o-onely
I'm so lo-o-o-onely
Lo-o-o-onely
