

# Off My Face – Justin Bieber

One touch and you got me stoned  
Higher than I've ever known  
You call the shots and I'll follow  
Sunrise but the night's still young  
No words but we're speaking tongues  
If you let me I might say too much  
Your touch blurred my vision  
It's your world and I'm just in it  
Even sober I'm not thinking straight  
'Cause I'm off my face in love with you  
I'm out my head so into you  
And I don't know how you do it  
But I'm forever ruined by you O-o-oh  
Can't sleep 'cause I'm way too buzzed  
Too late now you're in my blood  
I don't hate the way you keep me up  
Your touch blurred my vision  
It's your world and I'm just in it  
Even sober I'm not thinking straight  
'Cause I'm off my face in love with you  
I'm out my head so into you  
And I don't know how you do it  
But I'm forever ruined by you O-o-oh  
Ooooh, oooh ooooh, ooh o-oo-o-o, oh-oo-o  
Ooooh, oooh ooooh, ooh o-oo-o-o, oh-oo-o  
'Cause I'm off my face in love with you  
I'm out my head so into you And  
I don't know how you do it But  
I'm forever ruined by you O-o-oh  
By you O-o-oh
