

Cry me a river – Justin Timberlake

You were my sun, you were my earth
You didn't know all the ways I loved you, no
So you took a chance and made other plans
But I bet you didn't think that they would
Come crashing down, no
You don't have to say
What you did
I already know
I found out from him
Now there's no chance
For you and me
There'll never be
Don't it make you sad about it?
You told me you loved me,
Why did you leave me all alone?
You tell me you need me
When you call me on the phone
Now, I refuse, you must have me confused
With some other guy
Your bridges were burned,
Now it's your turn to cry
Cry me a river
Cry me a river
Cry me a river
Cry me a river (Yeah, yeah)
I know they say some things are better left
Unsaid
It wasn't like you only talked to him
And you know it
Don't act like you don't know it
All of these things people tell me
Keep messin' with my head
You Should've picked honesty,
then you might not have blown it,
You don't have to say
What you did

I already know
I found out from him (BREAK !)
Now there's just no chance
For you and me
There'll never be
And don't it make you sad about it?
You told me you loved me,
Why did you leave me all alone?
You tell me you need me
When you call me on the phone
Now, I refuse, you must have me confused
With some other guy
The bridges were burned,
Now it's your turn to cry
Cry me a river
Cry me a river
Cry me a river
Cry me a river
Cry me a river
Cry me a river
Cry me a river
Cry me a river
Cry me a river
Oh
The damage is done,
so I guess I'll be leavin' (Oh, oh, oh)
Oh (Oh, well)
The damage is done,
So I guess I'll be leavin' (Oh, oh, oh)
Oh (Oh, well)
The damage is done,
So I guess I'll be leavin' (Oh, oh, oh)
Oh (Oh, well)
The damage is done,
So I guess I'll be l-l-l-l-leavin'
You don't have to say
What you did
I already know
I found out from him
Now there's just no chance
With you and me

There'll never be
Don't it make you sad about it?
Cry me a river
Cry me a river
Cry me a river
Cry me a river
