Cry me a river - Justin Timberlake

You were my sun, you were my earth You didn't know all the ways I loved you, no So you took a chance and made other plans But I bet you didn't think that they would Come crashing down, no You don't have to say What you did I already know I found out from him Now there's no chance For you and me There'll never be Don't it make you sad about it? You told me you loved me, Why did you leave me all alone? You tell me you need me When you call me on the phone Now, I refuse, you must have me confused With some other guy Your bridges were burned, Now it's your turn to cry Cry me a river Cry me a river Cry me a river Cry me a river (Yeah, yeah) I know they say some things are better left Unsaid It wasn't like you only talked to him And you know it Don't act like you don't know it All of these things people tell me Keep messin' with my head You Should've picked honesty, then you might not have blown it, You don't have to say

What you did

I already know

I found out from him (BREAK!)

Now there's just no chance

For you and me

There'll never be

And don't it make you sad about it?

You told me you loved me,

Why did you leave me all alone?

You tell me you need me

When you call me on the phone

Now, I refuse, you must have me confused

With some other guy

The bridges were burned,

Now it's your turn to cry

Cry me a river

Oh

The damage is done,

so I guess I'll be leavin' (Oh, oh, oh)

Oh (Oh, well)

The damage is done,

So I guess I'll be leavin' (Oh, oh, oh)

Oh (Oh, well)

The damage is done,

So I guess I'll be leavin' (Oh, oh, oh)

Oh (Oh, well)

The damage is done,

So I guess I'll be 1-1-1-leavin'

You don't have to say

What you did

I already know

I found out from him

Now there's just no chance

With you and me

There'll never be
Don't it make you sad about it?
Cry me a river
