

# What Goes Around Comes Around – Justin Timberlake

Hey, girl, is he everything you wanted in a man?  
You know I gave you the world  
You had me in the palm of your hand  
So why your love went away  
I just can't seem to understand  
Thought it was me and you, babe  
Me and you until the end  
But I guess I was wrong  
Don't want to think about it  
Don't want to talk about it  
I'm just so sick about it  
Can't believe it's ending this way  
Just so confused about it  
Feeling the blues about it  
I just can't do without ya  
Tell me, is this fair?  
Is this the way it's really going down?  
Is this how we say goodbye?  
Should have known better when you came around  
That you were gonna make me cry  
It's breaking my heart to watch you run around  
'Cause I know that you're living a lie  
That's okay, baby, 'cause in time you will find  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
Now girl, I remember everything that you claimed  
You said that you were moving on now  
And maybe I should do the same  
Funny thing about that is

I was ready to give you my name  
Thought it was me and you, babe  
And now it's all just a shame  
And I guess I was wrong  
Don't want to think about it  
Don't want to talk about it  
I'm just so sick about it  
Can't believe it's ending this way  
Just so confused about it  
Feeling the blues about it  
I just can't do without ya can you tell me, is this fair?  
Is this the way it's really going down?  
Is this how we say goodbye?  
Should have known better when you came around  
And now it's breaking my heart to watch you run around  
'Cause I know that you're living a lie  
That's ok, baby, 'cause in time you will find  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around, yeah  
What goes around comes around  
Yeah  
What goes around comes around  
You should know that  
What goes around comes around  
Yeah  
What goes around comes around  
You should know that  
Don't want to think about it  
Don't want to talk about it  
I'm just so sick about it  
Can't believe it's ending this way  
Just so confused about it  
Feeling the blues about it  
I just can't do without ya

Tell me, is this fair?  
Is this the way it's really going down?  
Is this how we say goodbye?  
Should have known better when you came around  
Should have known better that you were gonna make me cry  
It's breaking my heart to watch you run around  
( 'cause I know that you're living a lie)  
That's ok, baby, 'cause in time you will find  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around, yeah
