Under grey skies - Kamelot

In the ruins of madness A ghost of a chance There is new hope reborn in every tragedy And the world I see bares A mystery waiting to be revealed And don't you know that Every cloud has a silver lining You may call me a dreamer Call me a fool Just a blue eyed believer in you In the age of confusion Tears and despair Let me sell you a dream of prosperity In this great illusion Our humble intentions are well concealed 'Cause don't you know that Every cloud has a silver lining You may call me a dreamer Call me a fool Just a blue eyed believer in you But I'll die for that someone In the blink of an eye So tell me... please tell me Just what kind of fool am I When I drown in my fears In the darkness of sorrow There's a promise of grace Under silver grey skies And I'm drying my tears In the blaze of the sunlight A reviere sealed with a kiss You may call me a dreamer Call me a fool Just a blue eyed believer in you But I'll die for that someone

In the blink of an eye

So tell me... please tell me
Just what kind of fool am I
You may call me a dreamer
Call me a fool
Just a blue eyed believer in you
But I'll die for that someone
In the blink of an eye
So tell me... please tell me
Just what kind of fool am I...
What kind of fool am I...?
