

I Need to be In love – Karen Carpenter

"I Need To Be In Love"

The hardest thing I've ever done is keep believing
There's someone in this crazy world for me
The way that people come and go through temporary lives
My chance could come and I might never know

I used to say "No promises, let's keep it simple"
But freedom only helps you say goodbye
It took a while for me to learn
That nothing comes for free
The price I paid is high enough for me

[*] I know I need to be in love
I know I've beented too much time
I know I ask perfection of a rather imperfect world

And fool enough to think that's what I'll find

[**] So here I am with pockets full of good intentions
But none of them will comfort me tonight
I'm wide awake at 4 am without a friend in sight
I'm hanging on a hope but I'm all right

[*] I know I need to be in love
I know I've beented too much time
I know I ask perfection of a rather imperfect world
And fool enough to think that's what I'll find

[*] I know I need to be in love
I know I've beented too much time
I know I ask perfection of a rather imperfect world
And fool enough to think that's what I'll find
