

# The promised land – KAT

You try to delight  
In black and white  
Try to delight  
In sorrow  
Why did we call it sometimes  
The promised land  
Lights of tomorrow  
Glimmering lights  
In a crowd  
But alone  
Tonight  
The fight for tomorrow  
Where are those fighters now  
Alone tonight  
Why did we trust  
The fire  
Why  
Why to delight  
In sorrow  
Why did we call it sometimes  
The promised land  
Lights of tomorrow  
In the night  
Of deceiving lights  
Why are we lonely  
In a crowd  
We're lonely  
In peaceful times  
But crowded  
In defiance of  
Defiance of value  
Of life  
And there is time  
We die  
And there is time  
We cry

And there is time  
We try  
To find again  
The promised  
Land  
Promised land
