

This Woman's Work – Kate Bush

Ah Haooooooooo

Ah Haooooooooo

Ah Haooooooooo

Pray God you can cope

I stand outside this woman's work

This woman's world

Ooh, it's hard on the man

Now his part is over

Now starts the craft of the father

I know you have a little life in you yet

I know you have a lot of strength left

I know you have a little life in you yet

I know you have a lot of strength left

I should be crying, but I just

Can't let it show

I should be hoping, but I can't stop thinking

Of all the things I should've said

That I never said

All the things we should've done

That we never did

All the things I should've given

But I didn't

Oh darling, make it go

Make it go away

You might also like

Give me these moments back

Give them back to me

Give me that little kiss

Give me your hand

I know you have a little life in you yet

I know you have a lot of strength left

I know you have a little life in you yet

I know you have a lot of strength left

I should be crying, but I just

Can't let it show

I should be hoping, but I can't stop thinking

Of all the things we should've said
That were never said
All the things we should've done
That we never did
All the things you needed from me
All the things you wanted for me
All the things that I should've given
But I didn't
Oh, darling, make it go away
Just make it go away now
