

# Astray – KATH x WAKSY

Once I've been broken  
Thought you're my soulmate  
Trusting and falling  
Into your trap  
I'm 3 ft under  
Nobody's out there  
Tears drop in silence  
Can't take my ear  
Astray  
There's no hope in the dark  
Astray  
Think I'm losing my mind  
You chose Violence  
Where's your mercy?  
Oh so innocent just wanted to hurt me  
You chose Violence  
Where's your mercy?  
Oh so innocent just wanted to hurt me  
(-----)  
Nobody comes  
Feeling so numb  
Voice in my head  
Change me now  
You tried to bury me down  
Lead me astray  
Look how the tables have turned  
Now you the pray  
Astray  
There's no hope in the dark  
Astray  
Think I'm losing my mind  
You chose Violence  
Where's your mercy?  
Oh so innocent just wanted to hurt me  
You chose Violence  
Where's your mercy?

Oh so innocent just wanted to hurt me  
You tried to bury me down  
Lead me astray  
Look how the tables have turned  
Now you the pray
