Dalmatan street

This is a Dogs world

Theres a whole lot of love to give

So many pups to meet at

101 Dalmatan Street

We're a rowdey crowd here in

Camden town

Everyboty give a howl

Bow wow wow!

Theres plenty of love

Whereever you find

Theres a place here for everyone

Give a big howl we've got it now

I've Got My Pups With Me!

This is a Dogs world

Theres a whole lot of love to give

So many pups to meet at
