Crawling up a hill - Katie Melua

Every morning (a)bout half past eight,
My Mummer wakes me says,
"Don't be late",
Get to the office, tryin' to concentrate,
My life is just a slow train crawling up a hill

So I stop one day to figure it out, I'll quit my job without a shadow of a doubt, To sing the blues that I know about, My life is just a slow train crawling up a hill

Minute after minute, Second after second, Hour after hour goes by, Working for a rich girl, Staying just a poor girl, Never stop to wonder why

So here I am in London town,
A better scene Im gonna be around,
The kind of music that won't bring me down,
My life is just a slow train crawling up a hill

Every morning (a)bout half past eight,
My Mummer wakes me says,

I get to the office, tryin' to concentrate,

So here I am in London town, A better scene I'm gonna be around, The kind of music that won't bring me down, Life is just a slow train
