

# Piece by piece – Katie Melua

First of all must go  
Your scent upon my pillow  
And then I'll say goodbye  
To your whispers in my dreams  
And then our lips will part  
In my mind and in my heart  
'Cos your kiss  
Went deeper than my skin  
Piece by piece  
Is how I'll let go of you  
Kiss by kiss  
Will leave my mind one at a time  
One at a time  
First of all must fly  
My dreams of you and I  
There's no point in holding on to those  
And then our ties will break  
For your and my own sake  
Just remember  
This is what you chose  
Piece by piece  
Is how I'll let go of you  
Kiss by kiss  
Will leave my mind one at a time  
One at a time  
I'll shed like skin  
Our memories of lazy days  
And fade away the shadow of your face  
Ooooooooooooooooooooooooooooo  
Ooooooooooooooooooooooooooooo  
Piece by piece  
Is how I'll let go of you  
Kiss by kiss  
Will leave my mind one at a time  
One at a time  
One at a time
