

# When you taught me how to dance – Katie Melua

When you taught me how to dance  
Years ago with misty eyes  
Every step and silent glance  
Every move a sweet surprise  
Someone must have taught you well  
To beguile and to entrance  
For that night you cast your spell  
And you taught me how to dance  
Light reflections in a lake  
I recall what went before  
As I give, I'll learn to take  
And will be alone no more  
Other lights may light my way  
I may even find romance  
But I won't forget that night  
When you taught me how to dance  
Cold winds blow  
But up on those hills you'll find me  
And I know  
You are walking right behind me  
When you taught me how to dance  
Years ago with misty eyes  
Every step and silent glance  
Every move a sweet surprise  
Someone must have taught you well  
To beguile and to entrance  
For that night you cast your spell  
And you taught me how to dance  
And you taught me how to dance
