

# Gameboy – Katseye

Tell your friends that I love the drama  
Play pretend, but you know it's karma  
You're the one that's lonely callin'  
You can blame me,  
But I ain't the problem (Ooh)  
You, you keep on pushing my buttons, you do  
With me, you leveled up, yeah, it's true  
Now I'm somebody  
You don't wanna lose (Ooh-ooh)  
You're just a Gameboy  
I ain't tryna play, boy  
I ain't thinkin' about you  
Not thinkin' about you  
Lovin' you's a game, boy  
I should throw it away, boy  
I ain't thinking about you, ooh  
You're just a Gameboy  
I ain't tryna play, boy  
I ain't thinkin' about you  
Not thinkin' about you  
Lovin' you's a game, boy  
I should throw it away, boy  
I ain't thinking about you, ooh, ooh  
I been goin' out on my own time  
I been doin' me but I don't mind  
That's mine, that's mine  
Me and all my friends in the backseat  
Headed to the club in the taxi  
I'm fine, oh, no (Ooh)  
You, you keep on pushing my buttons, you do  
With me, you leveled up, yeah, it's true  
Now I'm somebody  
You don't wanna lose (Ooh-ooh)  
You're just a Gameboy
