

# MIA – Katseye

I'll go MIA  
I-I'ma go, go  
I'll go MIA  
I-I'ma go, go  
Smoke and mirrors, see me clearer  
When you close your eyes (Ah-ah-ah-ah)  
Yeah, the missing ring around your finger  
Swore you wore last night, won't see me twice  
No, ah, don't be like this  
No, you won't put a leash on a bitch  
You want more, but you get what I give  
Don't get comfortable 'cause any minute now  
I'll dip and dash  
Got the car with my girls in the back  
Boy, I know that you're feeling attached  
Don't get comfortable 'cause any minute now  
I'll go MIA  
I-I'ma go, go  
I'll go MIA  
Solo in SoHo  
I'll go MIA  
Say, "Where she go, go?"  
Nobody knows  
Don't get comfortable 'cause any minute now  
MI-MIA  
MI-MIA  
Too bad, so sad  
I won't hit back (You)  
I'm halfway out  
The country, making it (Move)  
No, ah, don't be like this  
No, you won't put a leash on a bitch  
You want more, but you get what I give  
Don't get comfortable 'cause any minute now  
I'll dip and dash  
Got the car with my girls in the back

Boy, I know that you're feeling attached  
Don't get comfortable 'cause any minute now  
I'll go MIA  
I-I'ma go, go  
I'll go MIA  
Solo in SoHo  
I'll go MIA  
Say, "Where she go, go?"  
Nobody knows  
Don't get comfortable 'cause any minute now  
MI-MIA  
MI-MIA  
(I'll go MIA) MI-MIA  
(I'll go, go) MI-MIA  
MIA  
I'ma, I'ma go MIA  
I'ma, I'ma go MIA  
I'ma, I'ma go MIA
