

# PINKY UP – Katseye

I-I-I-I bet it goes like this  
Pinky up (Up)  
Pinky up (Up)  
Pinky up (Up)  
Pinky up (Up)  
Put this pinky up  
One day, soon, the world's gonna end  
I'm gonna make out with  
My new bestest friends  
I wanna live large,  
Right before it all burns down  
(Up, up, pinky up)  
Go hard like we're robbin' the Louvre  
We Mona Lisa with a cute attitude  
I wanna get high right  
Before we're in the ground  
Ooh, we're screaming from cloud nine  
No one can touch us if they tried  
Ooh, but it's a state of mind  
(I-I-I-I bet it goes like this)  
Pin-pinky up (Up)  
Pinky up (Up)  
Pin-pin-pin-pinky up (Up, up, up)  
Pinky up (Up, up)  
Us against the world,  
Shaking ass in the parking lot  
If we get arrested, haha, baby, laugh it off  
I love you, you love me, we batshit, oui, oui  
And I'd kill 'em for you if it got that deep  
Fancy is a frequency,  
A mind of delusion, philosophy  
I kinda know nothing, just like Socrates  
(The only true wisdom is in  
Knowing you know nothing; ooh)  
Ooh, we're screaming from cloud nine  
No one can touch us if they tried

Ooh, but it's a state of mind

(I-I-I-I bet it goes like this)

Pin-pinky up (Up)

Pinky up (Up)

Pin-pin-pin-pinky up (Up, up, up)

Pinky— (One, two, one, two, three, four)

Pin-pinky up (Up, up, up)

Pinky up (Up, up)

Pin-pin-pin-pinky up (Up, up, up)

Pinky up (Up, up)

Pin-pin-pin-pinky— (Up)
