

Touch – Katseye

Touch, touch, touch, touch, touch
Thought about you way too much,
Much, much, much, much
Over, over thinking us, us, us, us, us
'Cause you been so out of touch
You could have had my love
But you been so out of touch
Monday I was dreaming bout ya
Tuesday I was waiting near the phone
Two days, wasn't hearing from ya
Yea, what can I say?
Oh, baby, I was getting bored
Thursday I was losing interest
Friday you were out there in the cold
Weekend you already missed it
I was moving on
('cause you were moving too slow)
Sometimes I'm alone
Stare out my window
And the moon makes you seem close tonight
But you been so out of touch,
Touch, touch, touch, touch
Thought about you way too much,
Much, much, much, much
Over over thinking us, us, us, us, us
'Cause you been so out of touch
You could have had my love
But you been so out of touch,
Touch, touch, touch, touch
Thought about you way too much,
Much, much, much, much
Yea, you went it messed it up, up, up, up, up
'Cause you been so out of touch
You could have had my love
But you been so out of touch
First you're gonna say you're sorry

Promise you won't do it anymore
Come up with a different story
Yea, what can I say?
Say something I ain't heard before
I'm too fun to waste my time
Too young to waste one night
So here comes, some good advice
If I ever call again
Don't press ignore
'Cause sometimes I'm alone
Stare out my window
And the moon makes you seem close tonight
But you been so out of touch,
touch, touch, touch, touch
Thought about you way too much,
much, much, much, much
Over, over thinking us, us, us, us, us
'Cause you been so out of touch
You could have had my love
But you been so out of touch,
touch, touch, touch, touch
Thought about you way too much,
much, much, much, much
Yea, you went it messed it up, up, up, up, up
'Cause you been so out of touch
You could have had my love
But you been so out of touch
