

## E.T. – Katy Perry

You're so hypnotizing  
Could you be the devil?  
Could you be an angel?  
Your touch magnetizing  
Feels like I'm floating  
Leaves my body glowing

They say be afraid  
You're not like the others, futuristic lovers  
Different DNA, they don't understand you

You're from a whole other world  
A different dimension  
You open my eyes  
And I'm ready to go, lead me into the light

Kiss me, ki-ki-kiss me  
Infect me with your love and fill me with your poison  
Take me, ta-ta-take me  
Wanna be a victim, ready for abduction  
Boy, you're an alien  
Your touch so foreign  
Its supernatural, extraterrestrial

You're so supersonic  
Wanna feel your powers, stun me with your lasers  
Your kiss is cosmic, every move is magic

You're from a whole other world  
A different dimension  
You open my eyes  
And I'm ready to go, lead me into the light

Kiss me, ki-ki-kiss me  
Infect me with your love, and fill me with your poison  
Take me, ta-ta-take me

Wanna be your victim, ready for abduction  
Boy, you're an alien, your touch so foreign  
Its supernatural, extraterrestrial

There is this transcendental, on another level  
Boy, you're my lucky star  
I wanna walk on your wave length  
And be there when you vibrate  
For you I risk it all, all

Kiss me, ki-ki-kiss me  
Infect me with your love and fill me with your poison  
Take me, ta-ta-take me  
Wanna be your victim, ready for abduction  
Boy, you're an alien, your touch so foreign  
It's supernatural, extraterrestrial  
Extraterrestrial  
Extraterrestrial

Boy, you're an alien, your touch so foreign  
Its supernatural, extraterrestrial
