## Hot N Cold - Katy Perry

You change your mind Like a girl changes clothes Yeah you, PMS Like a bitch I would know

And you over think Always speak Cryptically

I should know That you're no good for me

'Cause you're hot then you're cold You're yes then you're no You're in then you're out You're up then you're down You're wrong when it's right It's black and it's white We fight, we break up We kiss, we make up You don't really want to stay, no But you don't really want to go-o You're hot then you're cold You're yes then you're no You're in then you're down

We used to be
Just like twins
So in sync
The same energy
Now's a dead battery
Used to laugh bout nothing
Now you're plain boring

I should know That you're not gonna change

'Cause you're hot then you're cold You're yes then you're no You're in then you're out You're up then you're down You're wrong when it's right It's black and it's white We fight, we break up We kiss, we make up You don't really want to stay, no But you don't really want to go-o You're hot then you're cold You're yes then you're no You're in then you're down

Someone call the doctor Got a case of a love bi-polar Stuck on a roller coaster Can't get off this ride

You change your mind Like a girl changes clothes

'Cause you're hot then you're cold You're yes then you're no You're in then you're out You're up then you're down You're wrong when it's right It's black and it's white We fight, we break up We kiss, we make up You're hot then you're cold You're yes then you're no You're in then you're out You're up then you're down You're wrong when it's right It's black and it's white

We fight, we break up
We kiss, we make up
You don't really want to stay, no
But you don't really want to go-o
You're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down
