Teenage Dream - Katy Perry

You think I'm pretty without any make-up on You think I'm funny when I tell the punch line wrong I know you get me, so I let my walls come down, down

Before you met me, I was all right But things were kinda heavy, you brought me to life Now every February you'll be my valentine, valentine

Let's go all the way tonight No regrets, just love We can dance until we die You and I, will be young forever

You make me feel like I'm living a teenage dream The way you turn me on, I can't sleep Let's run away and don't ever look back Don't ever look back

My heart stops when you look at me Just one touch, now baby I believe This is real, so take a chance And don't ever look back, don't ever look back

We drove to Cali and got drunk on the beach Got a motel and built a fort out of sheets I finally found you, my missing puzzle piece I'm complete

Let's go all the way tonight
No regrets, just love
We can dance until we die
You and I, we'll be young forever

You make me feel like I'm living a teenage dream The way you turn me on, I can't sleep Let's run away and don't ever look back

Don't ever look back

My heart stops when you look at me
Just one touch, now baby I believe
This is real, so take a chance
And don't ever look back, don't ever look back

I'ma get your heart racing in my skin-tight jeans
Be your teenage dream tonight
Let you put your hands on me in my skin-tight jeans
Be your teenage dream tonight

Youuuu You make me feel like I'm living a teenage dream The way you turn me on, I can't sleep Let's runaway and don't ever look back Don't ever look back

My heart stops when you look at me Just one touch, now baby I believe This is real, so take a chance And don't ever look back, don't ever look back

I'ma get your heart racing in my skin-tight jeans Be your teenage dream tonight Let you put your hands on me in my skin-tight jeans Be your teenage dream tonight
