## **Unconditionally – Katy Perry**

Oh no, did I get too close?
Oh, did I almost see
What's really on the inside?
All your insecurities
All the dirty laundry
Never made me blink one time

Unconditional, unconditionally I will love you unconditionally There is no fear now Let go and just be free I will love you unconditionally

So come just as you are to me
Don't need apologies
Know that you are all worthy
I'll take your bad days with your good
Walk through the storm I would
I do it all because I love you
I love you

Unconditional, unconditionally I will love you unconditionally There is no fear now Let go and just be free I will love you unconditionally

So open up your heart and just let it begin Open up your heart and just let it begin Open up your heart and just let it begin Open up your heart

Acceptance is the key to be To be truly free Will you do the same for me? Unconditional, unconditionally
I will love you unconditionally
And there is no fear now
Let go and just be free
'Cause I will love you unconditionally
Oh yeah

I will love you I will love you I will love you unconditionally
