K/DA

Should we show 'em how we do it everyday?

Yeah, yeah, yeah, yeah

Na-na-na-na-na-na-na-na

Let's get it

Akali that girl, Kali go grr

Kali don't stop, Kali don't skrr

Kali got a job, Kali go to work

Always on fire, don't get burnt

I'm giving you more than a buffet

I'm slaying all day like I'm Buffy

I scoot in and school on my huffy

You up against me that's a rough day

I'm giving you more cause I'm greater than

I don't do mathematics, I hated them

But all of my numbers are talking babe

Got money like Mrs, Monopoly

Got more like I'm doing addition

And I don't need no one to give me permission

Go get it go get it go get it the mission

You never look at me and say

Something's missing

Cause I got it different

All I'll ever know

Is life up on a throne

I don't do the middle or a little

You want

More

Know I got it so here you go

You look like you could use some more

Know I got it and never running low

Yeah I got

More than enough add it up and away

You know I got it like

Bomb bomb blow your mind

Never giving less and that's how it'll stay

You know I got it like  
All day, all the time  
When I go it's for gold  
Yeah they cool but I'm cold  
I don't fit in the mold  
I'm a rebel  
I don't do what you say  
Making moves I don't wait  
While I smile in your face  
I got different DNA  
What's higher than the top, that's me  
Come take a look  
Before falling at my feet  
Cause that's the only drop they'll be  
So take a look  
Better recognize a queen  
All I'll ever know  
Is life up on a throne  
I don't do the middle or a little  
You want  
More  
Know I got it so here you go  
You look like you could use some more  
Know I got it and never running low  
Yeah I got  
More than enough add it up and away  
You know I got it like  
Bomb bomb blow your mind  
Never giving less and that's how it'll stay  
You know I got it like  
All day, All the time  
Way out  
Feeling like an ocean, on the wave now  
Feeling like I'm floating, never weighed down  
This is how I do it everyday  
Wow, wow  
But I know I know  
You want some more  
I know what you been asking for  
I know I know, you want some more

If you ready let's go, Giving it all  
More  
Know I got it so here you go  
You look like you could use some more  
Know I got it and never running low  
Yeah I got  
More than enough add it up and away  
You know I got it like  
Bomb bomb blow your mind  
Never giving less and that's how it'll stay  
You know I got it like  
All day, All the time
