

# Spirit in the sky – KEiINO

Can't you stay  
Stay with me into the night  
Stay, I need you close  
You can go back when the sun rise again  
Just stay tonight, just stay  
Have you seen my spirit  
Lost in the night  
The violent nightshade  
They took away my light  
They call us nothing  
My name is nothing  
Come see me  
Please see me  
'Cause I've been running with the demons now  
They all see my fear  
They say there's nothing  
Nothing here  
I see your spirit in the sky  
When northern lights are dancing

I hear you calling me at night  
Whenever wind is blowing

I can see your spirit in the sky  
When northern lights are dancing

I'll follow you until the daylight  
Shy us away  
I need a hero  
I need my light  
Her shining lightwaves  
Will break away the night  
I call it freedom  
Our name is freedom  
Come find me

Please find me  
'Cause I am dancing with the fairies now  
They all sing our name  
I got my light here  
Shining here  
I hear you calling me at night  
Whenever wind is blowing

I can see your spirit in the sky  
When northern lights are dancing

I hear you calling me at night  
Whenever wind is blowing

I can see your spirit in the sky  
When northern lights are dancing

I can see your spirit in the sky  
When northern lights are dancing
