

# Don – Keith Whitley

Ja : I know you loved him  
A long time ago  
Even now in my arms  
You still want him I know  
But darling this time  
Let your memories die  
When you hold me tonight  
Don't close your eyes

Razem : Don't close your eyes  
Let it be me  
Don't pretend it's him  
In some fantasy  
Darling just once  
Let yesterday go  
You'll find more love  
Than you've ever known  
Just hold me tight  
When you love me tonight  
And don't close your eyes

Ty : Maybe I've been a fool  
Holding on all this time  
Lyn' here in your arms  
Knowing he's in your mind  
But I keep hoping some day  
That you'll see the light  
Let it be me tonight  
Don't close your eyes

Razem do końca : Don't close your eyes  
Let it be me  
Don't pretend it's him  
In some fantasy  
Darling just once  
Let yesterday go

You'll find more love  
Than you've ever known  
Just hold me tight  
When you love me tonight  
And don't close your eyes

Don't close your eyes  
Let it be me  
Don't pretend it's him  
In some fantasy  
Darling just once  
Let yesterday go  
You'll find more love  
Than you've ever known  
Just hold me tight  
When you love me tonight  
And don't close your eyes

Just hold me tight  
When you love me tonight  
And don't close your eyes
