

Trick me – Kelis

Wooo

This is It Yeah

Wooo

Said I've paid all my dues for what i've done
And I showed you that I love you more than once
Theres nothing left there to deside
Said you might trick me once
I won't let you trick me twice
Freedom to us has always been a trick
Freedom to u has always been who ever landed on your dick
Seen it in your one to many times
Said you might trick me once
I won't let you trick me twice no

Might trick me once
I won't let you trick me twice
Might trick me once
I won't let you trick me twice no
Might trick me once
I won't let you trick me twice
No I won't let you trick me twice

Those days are old and overdone
And it's only cause i'm not with you
That makes me number one
Though I may love you
It hurts me deep inside Oh
Now you no longer have to hide

I used to be down with the late night hit
Started gettin' heavy when I really wasn't ready
Used my class to get in my mind
So I fell for your lies like all the time
I thought you were the shit to be playin around
Call the police theres a mad girl in town

Could'nt get even here without a sound
It's not how I wanna get down Yeah You

Might trick me once
I won't let you trick me twice
Might trick me once
I won't let you trick me twice no
Might trick me once
I won't let you trick me twice
No I won't let you trick me twice
No I won't let you trick me twice

And I've paid all my dues for what i've done
And I showed you that I love you more than once
Theres nothing left there to decide
Ooh Trick me I won't let your trick me twice
You might trick me once
No I won't let me trick you twice no
You might trick me once
No I won't let me trick you twice
Woooo
Peace
Woooo
Woooo
Woooo
