

Because of you – Kelly Clarkson

Oo... Oo

Uuuuu

I will not make

The same mistakes that you did

I will not let myself

Cause my heart so much misery

I will not break

The way you did you fell so hard

I've learned the hard way

To never let it get that far

Because of you

I never stay too far from the sidewalk

Because of you

I learned to play on the safe side

So I don't get hurt

Because of you

I find it hard to trust not only me

But everyone around me

Because of you

I am afraid

I lose my way

And it's not too long before you

Point it out

I cannot cry

Because I know that's weakness

in your eyes

I'm forced to fake

A smile, a laugh everyday of my life

My heart can't possibly break

When it wasn't even whole to start with

Because of you

I never stay too far from the sidewalk

Because of you

I learned to play on the safe side

So I don't get hurt

Because of you

I find it hard to trust not only me
But everyone around me
Because of you
I am afraid
I watched you die
I heard you cry every night
in your sleep
I was so young you should have known
better than to lean on me
You never thought of anyone else
You just saw your pain
And now I cry in the middle of the night
For the same damn thing
Because of you
I never stay too far from the sidewalk
Because of you
I learned to play on the safe side
So I don't get hurt
Because of you
I try my hardest just to forget everything
Because of you
I don't know how to let anyone else in
Because of you I'm ashamed of my life
Because it's empty
Because of you I am afraid
Because of you
Aaaaa
Because of you
