

# Because of you – Kelly Clarkson

I will not make the same mistakes that you did  
I will not let myself cause my heart so much misery  
I will not break the way you did, you fell so hard  
I've learned the hard way to never let it get that far

Because of you  
I never stray too far from the sidewalk  
Because of you  
I learned to play on the safe side so I don't get hurt

Because of you  
I find it hard to trust not only me, but everyone around me  
Because of you  
I am afraid

I lose my way and it's not too long before you point it out  
I cannot cry because I know that's weakness in your eyes  
I'm forced to fake a smile, a laugh, every day of my life  
My heart can't possibly break when it wasn't even whole to start with

Because of you  
I never stray too far from the sidewalk  
Because of you  
I learned to play on the safe side so I don't get hurt

Because of you  
I find it hard to trust not only me, but everyone around me  
Because of you  
I am afraid

I watched you die, I heard you cry  
Every night in your sleep  
I was so young, you should have known  
Better than to lean on me

You never thought of anyone else

You just saw your pain  
And now I cry in the middle of the night  
For the same damn thing

Because of you  
I never stray too far from the sidewalk  
Because of you  
I learned to play on the safe side so I don't get hurt

Because of you  
I tried my hardest just to forget everything  
Because of you  
I don't know how to let anyone else in

Because of you  
I'm ashamed of my life because it's empty  
Because of you  
I am afraid  
Because of you
