Silence - Khalid ft Marshmello

Yeah, I'd rather be a lover than a fighter 'Cause all my life, I've been fighting Never felt a feeling of comfort All this time, I've been hiding

And I never had someone to call my own, oh nah I'm so used to sharing
Love only left me alone
But I'm at one with the silence

I found peace in your violence
Can't tell me there's no point in trying
I'm at one, and I've been quiet for too long
I found peace in your violence
Can't tell me there's no point in trying
I'm at one, and I've been silent for too long
I've been quiet for too long
I've been quiet for too long
I found peace in your violence
Can't tell me there's no point in trying
I'm at one, and I've been quiet for too long

I'm in need of a savior, but I'm not asking for favors My whole life, I've felt like a burden I think too much, and I hate it I'm so used to being in the wrong, I'm tired of caring Loving never gave me a home, So I'll sit here in the silence

I found peace in your violence
Can't tell me there's no point in trying
I'm at one, and I've been quiet for too long
I found peace in your violence
Can't tell me there's no point in trying
I'm at one, and I've been silent for too long
I've been quiet for too long

I've been quiet for too long
I found peace in your violence
Can't tell me there's no point in trying
I'm at one, and I've been quiet for too long
